

Ancestral memory is sacred custom

Since the independence, the first President of the Republic has worked with great dedication for the development of the country, its transformation into a state with its own rightful place and voice in the world. Thanks to his long-term wise policy, Uzbekistan has passed a long road of development in a short period of time, our country has become known to the world and has gained its status.

In memory of the first President, on January 30, 2021, Group 106 students of "Mechanization of hydromeliorative works" Faculty, Department of Labour protection and technical safety, of the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers, and curator of the group, Associate Professor Rajabov Nurmamat Kudratovich jointly with Associate Professor Khaydarov Tuygun visited the Islam Karimov Complex.

Indeed, the sacred memory of Islam Karimov, the founder of the independent Republic of Uzbekistan, whose contribution to the preservation of peace on earth, development of common human values deserves every respect. After honoring the memory of Islam Karimov, students visited the Khumo Arena ice palace and had a great weekend.
