

## Initiative and activity

Definitely, with the initiative of Youth Union of the Faculty of Hydromelioration, different trips and pilgrimages are usually organized at the end of per month. The trip to Bustonlik was organized in the partnership with the activists of Youth Union from the Faculties of Hydromelioration and Agricultural Mechanization.

Let us remind that the previous trip of students of the mentioned above faculties was organized to Samarkand region. Everybody knows that a good rest is the essential factor for the productive work and qualitative education.
