

Internal regulations of student dormitory

On February 1, 2021, the head of the women's council of the HM faculty Z.F Becnazarova and members of the council organized a round table discussion on "Internal regulations of student dormitory" among girls in the dormitory No. 4. The purpose of the roundtable was to expand the knowledge of girls living in dormitories about dresscode, manners, moral values, and personal and general hygiene. At the same time, the girls were given additional information about the moral values of our President, which are currently in the focus of our religious values. Deliver this information to girls, to protect young people from the influence of mass culture is one of the main tasks of the educational institution.
