

## Advocacy campaign "Corruption is an obstacle to development" in the Bukhara branch of TIAME

Bukhara prosecutor O. Navrozov, head of the 2nd sector, organized an agitation campaign on the topic "Fighting corruption is an important task" in the hall of activists of Bukhara branch of the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers. The event was attended by the leadership of the branch, professors and staff. The event was opened by the director of Bukhara branch of the Tashkent Institute of Irrigation and Agricultural Mechanization Engineers, Doctor of Technical Sciences, Professor Imamov Shavkat Jakhonovich and gave the floor. to O. Navruzov. Bukhara prosecutor, he delivered his report with campaign materials.

As part of the event dedicated to the 26th anniversary of the adoption of the Constitution, in the country consistently carried out works to prevent and combat the threat of corruption, which seriously undermines the development of the state and society, and the people's confidence in justice. As the President said in his speech at the ceremony: "No matter how diligently the law enforcement agencies work to combat corruption, we will not be able to organize an effective fight against this evil unless our people show intolerance to this abomination and establish effective public control. Not only law enforcement agencies, but also every team must seriously fight this scourge. That is why every government department should have its own internal anti-corruption program. "

Corruption threatens national security by provoking protests and disrupting the disciplinary balance in society. The Head of the Sector also conducted individual interviews with each branch employee. During the meeting, problems and proposals were heard, appropriate instructions were given to address these issues.
