

International Summer School

The 2nd and 3rd Days of the International Summer School 2019 are very effective and interesting. On the 2nd Day , all participants were divided into two groups.

Presentations were made. Small groups talked about the problem and solution. After the lesson, a special bus for tourists in Tashkent has had the opportunity to get acquainted with international guests with sightseeing, attractions and museums in Tashkent. This can be seen in the following photographs. Summer School continues.
