

Strengthening international relations with University of Iowa

Tina Coffelt - grant partner from University of Iowa had a chance to visit Bukhara branch of TIIAME. The essential goal of this visit is meeting with the grant participants, share ideas, exchange views and follow new steps towards the future objectives of the grant.

It is interesting to note that during her visit, Tina Coffelt attended Silk and Spices Festival, which impressed her very much. Tina Coffelt discussed with the faculty members about the publication requirements of Scopus journals, shared ideas on publishing articles in the partnership with coauthors from abroad, as well as the problems of improving language learning.
