

## "Attention to women is attention to the future."

On June 30th, under the leadership of Professor Zukhra Ismailova, Chairwoman of the Women's Advisory Board of the Institute, Rano Kodirova, Chairwoman of the Women's Council of the Faculty of "Organization and Management of water resources" held an online seminar on "Attention to women is attention to the future." The event was organized by "Organization and Management of water resources" faculty dean, Associate Professor Hakimov Rashid, in his opening speech he spoke about the high attention and care for women in our country, wished good health, family happiness, luck, success, progress for women.

Afterwards, Zukhra Ismailova delivered a speech on respect for women that is one of the noble features of the Uzbek people. The guest of the event poet Shodi Otamurod, a member of the Writers' Union of Uzbekistan recited poems dedicated to women. He answered the questions of the participants.

After a lively question and answer session, Zukhra Ismailova gave a speech to the chairwoman of the Women's Council of the faculty Rano Kodirova to present a report on the work done by female faculty members and female students during the academic year. At the event, our teachers and students were delighted with the high level attention devoted to women.
