

Teachers build the future

In the student dormitory No.4 was held an event titled "Teachers we bow to You, we respect you" on the occasion of October 1, Teachers' and Mentors' Day. The 1st year students of the faculties of "Hydromelioration" and "Energy supply of agriculture and water management" performed poems, songs and dances praising the teachers.

The fact that the event was prepared by first-year students is important in terms of knowing their talents and abilities. Educators help them develop their creativity and spend their free time meaningfully. The head of the Department of Youth Affairs, Enlightenment and Spirituality of our institute Z. Khaydarov, Deputy Dean of the Faculty of HM Z. Abdurashidov attended at the event. The organizers of the event were N. Isokulova, a teacher of the SDNo.4, and D.Shukurullaeva, a teacher of the SD No.2, and D.Arzikulov, the chairman of the student council.
