

The fourth of the 5 important initiatives is in process

On December 8, on the occasion of the 28th anniversary of the Constitution of the Republic of Uzbekistan, an intellectual game "Zakovat" was held among first-year students of the Faculty of "Energy Supply in Agriculture and Water Resources." The game was attended by the Dean of the Faculty of Energy Supply of Agriculture and Water Resources A.J Isakov, Deputy Dean for Youth Affairs, A.N Botirov and youth leaders of the faculty. In our country, special attention is paid to increasing the interest of the population, especially young people in books, raising the culture of reading, and all conditions and opportunities are being created in this regard. In particular, the fourth of the five important initiatives put forward by the head of our state is to raise the morale of young people, to promote reading among them. The intellectual game was attended by 9 teams of 1st year students. The intellectual game "Zakovat" aroused great interest of first-year students, and suggestions were made to hold a regular intellectual game "Zakovat". The purpose of this event is, first of all, to increase the interest of young people in reading, to improve their attitude to fiction. According to the results, the 1st place was taken by students of ATT group 105, the 2nd place was taken by students of TJChAB group 103, EE group 106. The teams were awarded certificates by the faculty administration.
