

Intellectual competition "Zakovat"

On December 1, 2020 at the initiative of Sh.Narbaev, Dean of the Faculty of Land Management, H.Eshova, Deputy Dean for Youth and the D.Jabbarova, head of the faculty and talented students to promote a healthy lifestyle among students of the 1st stage. In order to further increase the legal awareness and literacy of students, the intellectual competition "Zakovat" was held. The purpose of this intellectual competition is to identify young, well-educated and skilled young people, to support their aspirations to become full-fledged professionals, to identify talented people and to create the necessary conditions for improving their professional skills and knowledge. 7 teams of 4 students competed in the field of knowledge. The results of the heated debates are as follows: 1st place: students of group 108; 2nd place: students of group 106; 3rd place: 103 group students. The winning teams were awarded by the faculty administration.
