

Respect for teachers

☒ Respect for old people in our country is a national tradition. As long as, following the advice and wise words of the elderly has become the essence of our well-being and peaceful life. On February 02, 2020, the head of the department "Higher Mathematics" B.A Khudayarov and members of the department, together with his retired colleagues, visited Yodgor aka to deliver congratulations and gifts by the rector of our Institute U.P Umurzakov. Yodgor aka Sharifbaev is now 80 years old and has been working at the department of "Higher Mathematics" for many years. It is known that. respect for elderly is a national tradition in our country. There is no doubt such old phrases as “Қариси бор уйнинг париси бор”(The house with the elderly has an angel) and “Қари билганини пари билмас”(The thing that knows the elderly, may not know the angel) have been proven in life for thousands of years.

Senior teacher of the department "Higher Mathematics" F.Turaev
