

Investment is a factor of economic development

On April 3, 2021, was held a regular seminar on topical issues of the financial and banking system, reforms in the real sector of the economy in the auditorium of the JSCB "Turonbank" of the Faculty of Organization and Management of Water Resources. Deputy Director of the Center for Coordination of Investment Activity and Project Management of JSCB "Turonbank" Amirov Uktam Usmon Ugly spoke at the seminar on the topic "Issues of lending to projects in national currency".

The seminar participants were interested in the mechanisms of obtaining bank loans for starting a business. The speaker was asked questions about the procedure for obtaining a loan from a bank. They received clear and detailed answers to each question. The students who took part in the seminar were more interested in issues related to the process of employment in the bank. The seminar was useful for teachers, undergraduates and students.
