

## Happy day in 'Mustakillik' mahalla

The sports complex with running, soccer and basketball courts created for the residents and youth of Mustaqillik mahalla of Mirzo-Ulugbek district was a worthy gift. The joy of all residents of the mahalla at the commissioning of the soccer field, playground and a complex of various simulators for adults in this sports complex is boundless.

This sports complex is the 4th object, organized in the framework of the program "Year of Youth Support and Health Promotion" at the initiative of a deputy of the Tashkent City Kenesh of People's Deputies, Rector of the TIAME, Professor Uktam Umurzakov.

Then everyone went to the green soccer field and took their seats. Incendiary dances were shown with the participation of makhalla residents and young people. Mahalla activists expressed gratitude to the leadership of our institute for their dedication in opening this complex.
