

## Our chempion

A sense of collective unity, of unanimity, endows one with pride and dignity. The whole team is inspired by one man's achievement. This sense of achievement and pride overwhelmed us yesterday. One of the types of Uzbek national wrestling is "belt wrestling. This sport is widespread in the Republic. Our wrestlers, who know no borders, have contributed to the development of our country in these competitions. Belt wrestling also uses amazing techniques that will give pleasure to any fan.

May 1, 2021 in Jizzakh region in the final stage of the national sporting competition in belt wrestling "Memorial Tournament" student group 4/17 "hydromelioration" Pirmatov Hisat took honorary 1st place in the absolute weight category and won the grand prize. We are sure that this result will lead him to higher levels.
