

The awarding ceremony of the student from Bukhara branch of TIIAME

It is important to suggest that within the framework of the XIX traditional festival "Silk and Spices", a number of competitions were organized among artisans. The Silk and Spices Festival aims to revive the cultural heritage of the Great Silk Road and demonstrate the richness of the traditions of local craftsmen. Mamurov Maxud, the 4th year student of the Faculty "Hydraulic Engineering " was awarded with a III-degree diploma for the active participation in the "Best Young Craftsman" competition

Mamurov Maxsud is a constant participator of the republican and international competitions. He is one of the winners and prize-holders of different competitions. Let us wish Mamurov Maxud success and good luck in his creative activities.
