

Mini-football competition

Jointly with khokimiyat of Mirzo-Ulugbek region and Tashkent Institute of Irrigation and Agricultural Mechanization Engineers, there was organized a mini-football competition under the motto "Youth of New Uzbekistan let us get united".

The competitions were held among young people from the districts of Katta Karasuv, Ahmad Yugnaki, Mirzakalon Ismoiliy and Navnihol. After the completion of the competition, the winners of mini-football tournament were awarded with different presents. The main goal of organizing these sport events is to raise the interest of young people in sports, to prepare future winners of national and international championships, to educate youngsters that are interested in sports in order to conduct a healthy life and achieving physical and spiritual mature.
