

Active students at the Youth Student Forum

Youth are the future of the country. Their goals and aspirations are always in the center of attention of our state and government. In this regard, the reforms carried out under the leadership of the President of the Republic of Uzbekistan are commendable. This is evidenced by the President's congratulatory address to the youth at the end of last month.

At the Youth Student Forum dedicated to Youth Day on June 30, 2021, the President of the Republic of Uzbekistan Shavkat Mirziyoyev got acquainted with the achievements of youth in various fields and held an open dialogue with them, awarded orders and medals to active youth. 40 active students of TIAME attended at the Youth Forum.
