

The museum is a reflection of the history

On December 2, 2020, students of the group 103 of the educational direction "SXMIM" of the faculty "Mechanization of hydro-ameliorative works" visited the "State Museum of History of Uzbekistan" in Tashkent. This visit was organized in order to organize meaningful leisure time of students and to acquaint students with the material and spiritual riches of the exhibits that reflect the long history, antiquity and glory of our country. During the trip to the museum, students got acquainted with the exhibits that tell about the ancient times of our history, and got an idea of the stages of the history of Uzbek statehood. At the same time, while visiting the museum, students learned about the rich heritage of our ancestors, which plays an important role in the formation of such qualities as devotion to the motherland, respect for ancestors, a sense of belonging to the future of the country.
