

"Zakovat" Intellectual game in students dormitory

In our country, special attention is paid to increasing the interest of the population, especially young people in books, raising the culture of reading, and all conditions and opportunities are being created in this regard. In particular, the fourth of the five important initiatives put forward by the head of our state is "raising the morale of young people, the widespread promotion of reading among them." In order to instill in the hearts of students reading and love for books, on December 1, 2020 in the 2nd SD among 1st year students of the Faculty of "Energy Supply of Agriculture and Water Management" "Zakovat" intellectual game was held. The game was attended by the Deputy Dean for Youth Affairs of the Faculty of "Energy Supply of Agriculture and Water Resources", youth leaders of the faculty. In particular, 9 teams of first-year students took part in the intellectual game "Zakovat". Students demonstrated their knowledge and capabilities. The teams were awarded certificates and souvenirs by the faculty administration.
