

Spiritual self-understanding

Today, December 1, a meeting was organized with the first-year students of the MHW faculty with the participation of the dean of the faculty B. Norov, deputy dean for youth affairs of the faculty O. Ruzibaev and a psychologist of the institute. The purpose of the meeting was to acquaint students with the activities of the faculty and the Institute of Psychology. The meeting was opened by the Deputy Dean for Youth Affairs O. Ruzibaev, B. Norov delivered a speech at the institute, which will serve as a program for students in the future. He acquainted students with the conditions created for students at the institute. After that, the deputy dean of the faculty for youth Affairs O. Ruzibaev expressed his opinion on the role of the psychologist in human life and gave the floor to the psychologist of the institute Mukhayyo Kamolkhonovna Mukhamedova. Muhayyo Mukhamedova made a presentation on "Activities of the Institute's psychologist" and introduced the students to the types of activities of the Institute's psychologist at the Institute. At the end of the meeting, students received answers to their questions from the dean of the faculty and the psychologist of the institute. Leaflets on "Activities of the Institute's psychologist" were distributed and all students were advised to subscribe to the channel "Psychologist's Advice".
