Local tourism guide

For the purpose of further development of local tourism among youth and accomplishing the tasks set out in the "Travel around Uzbekistan" project, a group of young people of the Institute and leaders of the Faculty Youth Association visited the Chimgan camp in Tashkent region. Youth Initiative was supported by pro-rector on youth affairs K.O.Shavazov and was responsible for security. The mood of the journey is accompanied by the enthusiasm and enlightenment of enlightenment and spirituality. Be the happiest! Be the first to engage in the next travel campaign!
