

## From Classroom to Production (5 + 1)

The faculty of mechanization of hydromeliorative works, direction "Mechanization of water management and melioration" 304 group students under the direction of the senior teacher Maksud Karimov conducted practical training on "Construction machines" in "AMKODOR AGROTEXMASH" LLC. In accordance with the Decree of the President of the Republic of Uzbekistan No. 5847 of October 8, 2019, in order to improve the integration of the educational process with the introduction of the 5 + 1 system in higher education institutions. In addition to the professors and teachers of our institute, there is an experienced staff member assigned by the joint-stock company and tries to provide students with their knowledge and skills. Such a practical collaboration will certainly have an impact on the practical development of students' worldviews.
