

The Demo Lesson, which was held at the Department of Uzbek Language and Literature

Lola Ismatovna, an English language teacher at the Department of Uzbek Language and Literature, organized a Demo Lesson for students of the Faculty of Agricultural Mechanization. An open session was held on the theme "Seasons and Weather", where she widely used a number of interactive methods. Additionally, Tina Coffelt - our grant partner from the University of Iowa visited Bukhara branch, had a discussion with the teachers and authority and expressed her wishes to the students.
