

The modern approach in educationg younsters

It is known to everyone that there was organized a training in academic groups at "Student Housing Coordination Department" of Tashkent Institute of Irrigation and Agricultural Mechanization Engineers. For the first time, the new teachers were introduced to the requirements of the deans of the faculties. In order to increase their professional competence, a training seminar was held from November 1 to 6, and specialists conducted trainings daily.

In order to improve the level of education and knowledge of mentors, the vice-rector for youth affairs and spiritual education Choriev Ruzimurat, professor of the department "Humanities" K. Nazarov, "Professional education and physical culture", professor Ismailova Zukhra, head of the Department of Youth Affairs, Spirituality and Education Khaidarov Zukhriddin , head of the department and the board of trustees for women affairs of the institute participated at the meeting. According to the plan approved by the head of the department, seminars and trainings on various topics were held by Shafkarov Bakhrom.

From the first days of their careers, there have been organized works with academic teams, including the discipline of students at the faculty, the study of living conditions in hostels, the status of students living in rented housing and their problems, as well as sports. The events at the Alley of Writers, which are organized for spiritual and educational events. We hope that in the future representatives of this sphere will play a certain role in the implementation of the youth policy pursued by our government in our institute.
