With the pleasure of the contest

Extensive work is being carried out in the Republic of Uzbekistan to increase the effectiveness of state youth policy. In particular, the competition "Cheerful and clever" with the participation of first-year students of the Faculty of "Hydromelioration" is traditionally held. It was attended by the dean of the faculty A.Fathullaev, deputy dean for youth O.Habibullaev, D.Allayorov and the leader of the faculty youth union A.Hamidov, the team of the faculty "Noiloj" and students.

It is known that the head of state put forward 5 important initiatives to organize work in the social, spiritual and educational spheres on the basis of the new system. The first initiative aims to increase the interest and talent of young people in music, painting, literature, theater and other arts. The dean of the faculty presented diplomas and prizes to the winners of the intellectual game "Zakovat". The goals are to educate young people to be loyal to the national values of our country, our historical and spiritual heritage, to increase their social activity, to spend their free time productively and meaningfully, to encourage and support talented and gifted youth, to improve their skills and help them show their talents. The competition was organized at a high level.
