

## Interesting and useful lecture

On March 4, 2019 at the conference hall of the Tashkent Institute of Irrigation and Engineers of Agricultural Mechanization, our compatriot Pr.Shahzod Tahirov from California University (Berkeley, USA) gave a lecture on "Laser Scanning and Modern Methods of Monitoring in the United States" for professors, teachers, researchers. The speaker answered all the questions given by the audience.

**R.Jumaniyozov, the press secretary of the institute**
