

Remembering the ancestors

Students of the 416th course in the field of "Reclamation hydrogeology" of the faculty of hydromelioration together with the curator of the group associate professor Sh.B. Akmalov organized a trip to Samarkand to visit historical monuments on April 4, 2021.

They visited the graves of our ancestors, who grew up in our land and made an invaluable contribution to the development of our people, and remembered their great deeds. During the trip, students visited the Registan ensemble, Amir Temur Mausoleum, Imam Bukhari complex, Ulugbek Observatory, Bibi Khanum complex, Khazrati Dovud sacred cave, Khazrati Khizr Mosque and Islam Karimov Mausoleum.
