

## Rewarding dedicated scientists of TIAME

It is important to mention that each institution has teachers, who are renowned for their enthusiasm and scientific potential. Their hard work in education and training is well known to our government. The first vice-rector of our institute, Bakhodir Suyunovich Mirzaev, sincerely congratulated the two teachers, who distinguished themselves in our educational institution for their merits, hard work and great achievements. Academician Mirziyod Mirsaidov was awarded with the Order of Friendship at today's rector's council by the order of the President. The Vice-rector Tokhir Sultanov was also awarded with the badge of the Ministry of Innovative Development of the Republic of Uzbekistan in the nomination "Leader of Innovative Ideas". We sincerely congratulate the teachers with this high award and wish them great success in their future endeavors.
