

Opportunities and privileges are the key to success

Clear condition is one of the main things in real modern life. It is help for students to learn and relax in time. On November 2, 2019 in "Tashkent Institute of Irrigation and Agricultural Mechanization Engineers" was held the opening of the 3rd student's hostel. The rector of the institute, the professors and teachers who have been working at the Institute for many years, as well as the builders and students who participated in the renovation attended the opening ceremony.

Commissioning of this dormitory is also an integral part of the Institute's achievements in recent years both nationally and globally. It should be noted that this year, our institute was ranked among the universities of Eastern Europe and Central Asia, ranked among 301-350 places in the international QS rankings, such as academic polls, employers' evaluations and academic potential.

The achievements of the students of the Institute in the field of science and creativity are also significant. In the city stage of the competition "Tafakkur sinovlari", which is traditionally held among universities this year, the team of the institute "Targibot" won the first place and received a ticket to participate in the republican stage.

In addition, there are all conditions for students living in the dormitory to spend their leisure time here, as well as having a meaningful time within 5 initiatives. There is a library in each residence for students. The location of the sports complex near the campus also allows for 10 types of sports. Each floor has computer rooms for students to use. There are also facilities for students interested in music, art and culture. At the same time, the sewing room in the dormitory is an example of the work that is motivate our students.

The opening of such a modern student dormitory and the provision of students at the disposal of our students is a logical continuation of the reforms in higher education. At the end of the event, the participants expressed their sincere wishes to our students that they would always be happy and show their knowledge and potential for the benefit of the people and the country. The event was aired on "Uzbekistan 24" and "Mening Yurtim 5" channels.
