

## Symbol of courage and justice

History is made up of destinies. The fate of such historical figures is connected with the life and period of a certain people, and it is impossible to imagine them separately from that time. Indeed, Amir Temur played an important role in the history of the Uzbek people.

On April 4, 2021 a round table on the theme "Amir Temur - a great statesman and military leader" was held, organized jointly with the faculty of the Humanities Department of TIIMSH, the Center for Youth Creativity of Sokh district of Fergana region and the Academy of Sciences Turon branch of TIIMSH of Sokh district.

Professor Shokhista Yljaeva, Doctor of History, made a presentation at the event. She spoke about the inestimable contribution of Amir Temur in various spheres of life. Amir Temur was a far-sighted politician, diplomat who went beyond the possibilities and limits of his time and led the formation of new systems. The reign of Amir Temur was marked by integration with European countries.

Speaking at the event Doctor of Philosophy Professor Kiyomiddin Nazarov spoke about the period of Amir Temur's rule and the philosophical environment formed at that time. Professor Bakhtiyor Turaev, Professor of Scientific Research Center named after Imam Bukhari, Director of Lyceum for gifted pupils Farhod Juraev, Director of Amir Temur Museum in Shahrishbaza Nabizhon Khushvaktov made a speech at the event. The event made a great impression on everyone.
