

About Zakovat is an intellectual game

It is important to suggest that on November 5, 2021 together with the Deputy Dean for Youth Affairs of the Faculty of Agriculture and Water Management Alisher Mutalov and the teacher of the Department Dilmurod Akbarov, on the 4th initiative and the 5th initiative there was organized a youth event at the Institute. In order to usefully spend their free time and develop their intellectual potential, an intellectual game "Zakovat" was held among the 2nd year students of the Faculty of Energy Supply of Agriculture and Water Resources.

The Dean of the Faculty A. Isakov, deputy dean for youth affairs A. Mutalov, youth director of the faculty A. Ubaydullaev participated at the event. As a judge and guest, the head of youth of the Faculty of Agricultural Mechanization Khojankulov Javlon performed in a very high level. In our country, a special attention is paid to increasing the interest of the population, especially young people, in reading books, learning culture, where all conditions and opportunities are created for completing the tasks.

In particular, the fourth of the five important initiatives were put forward by the head of our state in order to increase the morale of young people, to popularize reading among them. In particular, 6 teams of 2nd year students took part in the intellectual game "Zakovat". The first place was taken by a team of 204-group students, the second place was taken by a team of students of the 207-group students and the third place was taken by a team of students from 211-group. The teams were awarded with diplomas and presents from the faculty.
