

Students visit Uzexpocenter National Exhibition Center

On the 5-7th of April this year passes the international industrial exhibition "INNOPROM-2021", for the first time organized by the Ministry of Industry and Trade of the Russian Federation and the Ministry of Investment and Foreign Trade of the Republic of Uzbekistan. In this international industrial exhibition actively participated the teaching staff and students of the faculty "Mechanization of Agriculture" of our institute. Our students, in particular, from the main sections of the exhibition: transport and energy engineering, technology for cities, metallurgy and materials, plastics and rubber, asked questions to experts and received satisfactory answers.
