

Collaboration between school and higher education institution

The Presidential Decree "On Measures for the Development of Science and Education during the New Development Period of Uzbekistan" dated November 6, the current year raised to a new level large-scale reforms in the field of education. This document has particular importance for the development of cooperation between schools and higher education institutions, for further strengthening the integration between them.

Dean of the Faculty Sh.Narbaev, Deputy Dean for Youth H.Eshova, Head of the Department of State Cadastres K.Rakhmonov and Deputy Dean V.Akhmadaliev visited the 18th secondary school located in "Asaka" makhalla of Mirzo Ulugbek district of Tashkent city attached to the "Land Management" Faculty. Our faculty helps to further improve and enhance the quality of the educational process in these schools, to facilitate students to fully express their talents. The five important initiatives put forward by the President play an important role in the organization of meaningful leisure time of youth in these hot summer days. Accordingly, there were planned to organize cultural and educational events called "Five Important Initiatives Day" in attached schools.
