

## Recognized 10 Higher educational Institutions of Uzbekistan by TIMES HIGHER EDUCATION

It is important to suggest, Times Higher Education, the leading UK rating agency, has published a ranking of the world's leading universities. Unlike previous ratings, the published rating for the first time also included 450 higher education institutions with a new type of status (reporter \*). It is noteworthy that places of higher education with such a status were not assigned, and their lists were arranged in alphabetical order. The list also includes the following 10 higher educational institutions of Uzbekistan: Reporter status has been awarded to universities recognized by the Times Higher Education rating agency for their active work on entering the ratings. The universities on the list have been recognized as candidates for admission to the world's leading universities, and Times Higher Education is ready to help them with this. In turn, the "Concept for the development of the higher education system of the Republic of Uzbekistan until 2030", approved by the Decree of the President of the Republic of Uzbekistan dated October 8, 2019 No. PD-5847. Top 1000 higher educational institutions in the ranking of internationally recognized organizations (Quacquarelli Symonds World University Rankings, Times Higher Education or Academic Ranking of World Universities), including the National University of Uzbekistan and Samarkand State University, which will be included in the list of the top 500 higher educational institutions. institutions organizational, methodological and practical assistance.
