

Trip to Samarkand

On the 7th of April, students of group 207 of faculty of "Management of Land resources " organized a trip to Samarkand . During their visit to Samarkand, the students got acquainted with our rich history and our unique cultural heritage. Having visited every sacred monument in Samarkand, they once again witnessed the power and majesty of our great ancestors. This time, they could have had a great impression on the students.

Report by J.Kunaev, an intern-teacher of department of "State Cadastres"
