

Teacher-apprentice tradition is- a development celebration

✘ There is a very good tradition at the Institute, which always bears its fruits. It is a tradition of a teacher-apprentice. On December 6, the senior lecturer of "Agricultural machinery" department T.Abdillaev informed young teachers working in the department about his pedagogical activities. At the institute pavilion he also conducted a master class for young workers on agricultural techniques.

Information of the Deputy Dean for Youth Affairs of the faculty "Agricultural Mechanization" H.Boymatov
