

Adherence to a healthy lifestyle

✘ On February 7, 2020, in the spirituality room of the hostel # 1, where students of the Faculty of Land Resources Management held a "round table" about "Corona virus". The meeting organized by the deputy dean for Youth Affairs Kh.Eshova, the faculty leader Sh. Abduqodirov, the chairman of the student council of the 1st dormitory, the doctors of the medical department of the institute B. Ernazarov and the nurse of the department Kh. Hayitova. They informed the students about the departure cases. The meeting also provided the insights into the ways of infection, clinical symptoms, and preventive measures. During the roundtable, students asked the most interesting questions and received answers from experts. At the end of the event, the doctors of the Medical Department thanked the administration and the students for their time.
