

## Meeting between students and the Vice-Chancellor

The creative and public activity of the great Uzbek poet and thinker Nizomiddin Mir Alisher Navoi is a unique example of service to humanity and spirituality and to the country. He dedicated his life to the struggle for human happiness, for peace and prosperity of people, for the development of science, art and literature. On February 9, 2022, in the gym of the student hostel No. 1 of the Faculty of Land Management, a round-table devoted to the 580th anniversary of Alisher Navoi was organized. It was attended by the Dean of the Faculty Sh. Narbayev, teaching staff, deputy deans.  Ruzimurat Choriev, Vice Rector for Youth Affairs, I. Buhorov, Director of Student Dormitories, Faculty Dean and Deputy Dean for Youth Affairs also took part in the event. The conditions for students created in the dormitory were examined. All the rooms and kitchens were inspected. Vice-rector of the institute R.Choriev also talked with students, listened to their problems and suggestions. To eliminate these problems, director of student dormitory I. Bukharov, dean of faculty Sh. Narbaev and H. Eshova, chairman of student council of student dormitory #1 M. Mamatov and chairman of the student dormitory council Saidakhmedov Jahongir received tasks from the provost.
