

## Do you know about Labor Protection?

On April 9, 2014, at the Tashkent State Agrarian University, the Federation of Trade Unions of the Republic of Uzbekistan held Tashkent regional stage of the Republican contest "Do you know about Labor Protection?" . At the competition, team of "Engineers of labor protection" of our institute competed with the team of ToshDAU students. As a spectator, 235 students from our Institute have come to support the Institute's team.

According to the final results, the team of Trade Union Committee won the second place with 71 points. Our team is likely to be able to participate in the next round. An organizer has been suggested to do so. In any case, the staff of the Institute made a worthy contribution, answered the questions completely, and emphasized that the scenes were really based on real events. On behalf of the young people of the institute, we thank much for the team members. Good luck in your next event.

**R.Jumaniyozov, the press secretary of the institute**
