

## "Reading Week" at the Information and Resource Center

On April 9, 2021, members of the Women's Affairs Council, under the leadership of the chairperson Ismailova Z.K., visited the "Book Fair", organized by the Information and Resource Center under the heading "The Book is a Mirror of Human Spirituality". The members of the Board got acquainted with the educational, educational and scientific literature, including the masterpieces of Uzbek and world literature, presented at the exhibition.

The Council members also visited the museum of the people's poet of Uzbekistan, Hero of Uzbekistan and public figure Abdulla Aripov. They were impressed by the exhibits and paintings depicting the life and work of the poet Abdulla Aripov.
