

## Visit to the Geology Museum

Students of the 402nd group of the "Water Management and Land Reclamation" direction of education under the guidance of Adham Mamataliev, Associate Professor of the Irrigation and Land Reclamation Department, visited the Geological Museum in Tashkent. The purpose of the visit was to familiarize students with the achievements of our country in the field of geology, to enrich their knowledge in this field and give them an opportunity to share additional information.

The students viewed the museum exhibits with interest. Visiting the Geological Museum enriched their knowledge and understanding of geology and was a meaningful excursion into the history of domestic science.
