

"We are for a healthy lifestyle"

On June 9, 2021, a "football day" under the motto "We are for a healthy life" was held among the professors and teachers of the Karshi branch of TIAME and 2nd year students of AM direction.

At first, the game started with a lot of passion. The student team was the first to open the score, and five minutes later the team's midfielder J.Shonazarov passed the ball to the team's forward B.Mehrochev and scored a goal. The students also showed their skills in this game. Both teams won and the game ended in a draw.

The faculty and students of the branch agreed on organizing regular sports activities with involvement of all other students in sports.
