

## Visit to "Hazrat Imam" complex

Students of the group 108 of "Innovative technologies and their exploitation in water management" direction of "Hydromelioration" Faculty visited the "Khazrati Imam Complex". One of the spiritual monuments of Tashkent is the Khazrati-Imam ensemble, so-called by the people "Khast-Imam". The square is located in the province of the old city, which survived the strongest earthquake in 1966. The complex was built near the burial place of the first Tashkent imam - Kaffal ash Shoshiy, who was a scientist and religious scholar.
