

At TIAME there was organized voice chat discussion

It is important to mention that on September 9, 2021 at 17:00 p.m there was organized a voice chat by telegram with the vice-rector for youth affairs and spiritual and educational work - Ruzimurat Choriev Kungratovich and the executive secretary of the selection committee Dilshod Botirovich Kadyrov. During the meeting there was organized an open discussion on the issues of providing students with housing, the procedure for placing students in hostels, the procedure for submitting documents for the applicants of the 202. Students asked questions directly to the authority during voice chat and made suggestions. The attendees got the detailed information on different issues.
