

## The fifth initiative is in effect

On February 10, 2020, Vice-Rector for Youth Affairs R. Choriev, Head of the Department Z.Khaydarov, Dean B. Norov, activists of the primary organization of the Youth Union and deputy deans of youth affairs of the faculties visited a sewing workshop in the 3rd student's hostel. During the visit, she was acquainted with the work carried out in this shop to spend meaningful leisure time for our students.

Particularly, the sewing shop has put into operation and our students have been following orders. In fact, all the girls dressed in Uzbek national adras(ikat), gave the guests a cheerful mood, which in a short time resulted from the girls' labor. Besides, of the sewing work, it was pleasant to note that our students are working on the design of the dress.
