

Preparing for an international conference

Vice-rector for scientific work and innovations T.Sultanov held a meeting to discuss preparations for the scientific-practical conference "1st International Conference: Women's Role in Development of Science and Gender Equality in Modern Uzbekistan", which will be held March 2-3. The meeting was attended by Vice-Rector for Youth Affairs R.Choriev, Chairman and all members of the Institute's Expert Council on Women, B.Matyakubov, faculty from the Departments of Vocational Education and Physical Culture and Humanities.

✘ The following issues were discussed at the meeting: quality and quantity of articles, possibility of publishing them in the future, about articles in the Scopus and WOS journals, preparation of normative documents, identification of candidates for the opening and congratulatory speech, the programme and press release, preparation of letters, invitations.

✘ The deadline for submitting articles has been extended by one week. Supervision of these assignments is the responsibility of the faculty members of the above mentioned departments. A list of online participants from partner organisations was also formed at the meeting.
