

Visiting ancient monuments

The students of the 114-group of "Automation and management of technological processes and production (in water management)" specialty from Karshi branch of TIIAME, under the guidance of the group leader, visited the ancient monuments of Central Asia.

Besides that the students visited the mausoleum of Islamic theologian and the monument of a great thinker -Abu Muin Nasafi. The mausoleum, located in the village of Kovchin, Karshi region, is one of the ancient places of pilgrimage. While visiting the mausoleum, students learned a lot about the life and works of Abu Muin Nasafi.
