

A particular attention to veterans

Undeniably, May 9 - Day of Memory and Honor is widely celebrated as a national holiday. We sincerely appreciate not only the veterans, who survived from the war, but also those people, who patriotically worked in its time and fortunately they are among us today, they devoted their whole lives for the flowerishing of the Institute.

The dean of Land Management Faculty and the teaching staff visited Sattorkhon Ibodullaev, who worked at the institute for a long period of time as the rector of the institute, dean, professor, and also Tsygankov Eduard Alekseevich, who worked for many years as an associate professor at the department of Geodesy. On behalf of the staff of the institute, they were distributed the presents, by mentioning the great contribution of teachers to our peaceful life and the development of TIAME.
