

## Have a nice journey, graduates

Finally has come the time to reap the benefits of 4 years of hard work. On June 9-10, 2021, qualification paper protections were held in 5111000-Vocational Education (Agricultural Mechanization) and "Energy Supply in Agriculture and Water Management" directions.

Professor of Tashkent State University of Economics, Ph.D. M.Khakimova chaired the meeting. Directors of professional educational institutions A.Mirzaev and A.Mamataliev also participated as members, gave valuable advice and tips to the graduates and wished them a safe journey.
