

## The dedication to the students was organized in a solemnly way

Definitely, the sustainability of our independent state, the cornerstone of the Third Renaissance are connected with consciousness, creative thinking, worldview of youth, distinguished by deep knowledge and innovative discoveries, and of course, intellectual potential. For these reasons, it is essential to understand that the words by the President Shavkat Mirziyoev about "Any task, which is related to the future of our youth has a great importance." Undeniably, the conditions, privileges and opportunities created in our country for training and educating young people, for their full and harmonious development in all spheres are aimed at the same goal. During the enrollment, everyone thinks about if he or she can enter the University with a successful pass of exams. At present time most young people, who believe in their knowledge and talent, join the ranks of students with satisfied faces and happy smiles. In the same spirit, the event "Dedication to the student" was held at Tashkent Institute of Irrigation and Agricultural Mechanization Engineers. The event was attended by parents, a number of distinguished guests, former and loyal leaders, who graduated from TIAME previously. It is interesting to note that these people, our alumni are working in different and good positions. At the beginning of the event, the first vice-rector of the institute, Professor Bakhadir Mirzaev made a welcoming speech and gave full information about the opportunities at the Institute, particularly, about the education and upbringing of young people in our country, the conditions, benefits and opportunities, created for their full and harmonious development in getting education at the place, which has a high rating among universities in the world. Besides that, it was mentioned about how the authority worked hard on popularizing the life and work of Abdulla Aripov at our institute. There was also suggested several winners of Presidential Scholarship, which was named after our great poet. Moreover, Dr Bakhadir Mirzaev also provide brief information about the creation of Youth Park in honor of the great poet at the territory of TIAME, there was also opened a modern museum, there was announced the scholarship and badge as well.  

Then he introduced the responsible and responsible leaders of the educational institution who took part in the event, at which the deputy chairman of the Central Council of Youth Union of Uzbekistan was given the floor. Students were not only inspired by this very young, talented leader, but also could realize that the steps they take today will pave the way for their future careers and future goals. The event, which took place on the eve of the new academic year, made a good impression not only on young people, but also on other participants. During the event students special performances were accepted heartily by the public, as they participated actively with their songs, dances and poems.
